### AIRBORNE LANDING

## ADVENTURE ADD-ON

■ **Szczecin**, the fifth largest city in Poland, a major sea port and a city of a long and turbulent history is located on the Odra River, south of the Lagoon of Szczecin and the Bay of Pomerania, among the scenic hills surrounding the Odra. Most of the historical monuments were badly damaged or destroyed during the WWII, however a large part of the scenic Old Town, situated on a high escarpment has been reconstructed in the late 1990-ies. The **Pomeranian Dukes' Castle**, a landmark of Szczecin, built in a renaissance style and the **Chrobry Ramparts** with the magnificent views of the port, harbor and the Dabie Lake – the only inland lake in Poland, with the sea yacht harbor.

■ **Cold War Challenge** – maneuvers start with a bomb alarm. A group of terrorists set a time-bomb in the hotel. The team divided into three subgroups has to capture the terrorists and get three codes to inactivate the bomb. In struggle to combat the villains they will have to fight numerous battles on land, water and in the air. They can bring into play ultra fast RIB speed boats, T-55 tanks, helicopters (optional), BRDM combat transport vehicles, SKOT amphibious armored carriers and 4x4 Mercedes G-class off-road cars. The Extreme Team instructors are assigned as terrorists.
