

SZCZECIN – WROCLAW CRUISE

600 KM – 2 DAYS

DIFFICULTY

AVAILABILITY APR – OCT

■ An enchanting cruise along one of the longest and most scenic rivers in Europe, the Odra, on a 176-kilometer section of the border between Germany and Poland. The Odra is unique in both its scenic landscape and hydro-technical architecture. We start from Szczecin and follow the river upstream, reaching the German town of Eisenhüttenstadt with its great ironworks. Next day, heading towards the capital of the Lower Silesia, we pass by the monumental abbey in Lubiaz, the second largest monument in the world of Christian architecture. We end our journey in Wrocław, an incredible city of twelve islands and more than a hundred bridges.
