

ADVENTURE IN POLAND

WARTA CRUISE AND RALLY

200 KM - 2 DAYS

DIFFICULTY

AVAILABILITY APR - OCT

An exceptional two-day trip across the scenic landscape of the western part of Poland. Crystalline clear lakes, beautiful forests and fabulous historical sites await. Starting from Poznan we follow the course of the Warta river, riding jet-skis and RIB boats. We travel across the majestic Notec Forest to reach the charming town of Miedzzychod situated on a strip of land between the lake and river. From there we drive to the beautiful settlement of Lagow, scenically located amongst the beech forests. We spend the night in the old, 14th century castle built by the Joannites knighthood on the lake shore. The castle is surrounded by a beautiful old park. Next day, driving 4x4 cars we reach the Miedzyrzecz Fortification Region, a wonderful and unique example of fortification architecture. From there we continue the off-road rally across the landscape parks.

ROUTE MAP

■ **Miedzyrzecz Fortification Region** – one of the biggest fortification complexes in Europe, covering a vast area of land stretching along for more than 30 kilometers. Built in 1934-1938, it was the most technologically advanced fortification system in Nazi Germany, guarding its Eastern border. It consists of about one hundred concrete defense structures interconnected by a maze of underground tunnels. Hidden beneath the surface are the railway stations, workshops, engine rooms and barracks. It is also the largest European underground refuge for bats, giving shelter to more than 30,000 bats of 12 different species.

ADVENTURE ADD-ON

■ **Lagow Castle** – a castle on the moraine hill built after 1347 by the knighthood of Joannites. It is located between two scenic lakes of Trzesniewskie and Lagowskie, and surrounded by the old park. The castle is overlooked by the high watchtower. After closing the order in 1812, Lagow became a private property, it survived the turmoil of WWII and now houses a hotel and restaurant.
